Emily Tacrayon is a Filipino model and beauty queen who was crowned Miss Earth 2015. She is the first Filipina to win the title and has since become a global ambassador for environmental protection.

Tacrayon was born in Manila, Philippines, on December 10, 1994. She is the youngest of three children and has a close relationship with her family. Tacrayon attended the University of Santo Tomas, where she studied nursing. She is a licensed nurse and worked as a nurse in a hospital before pursuing a career in modeling.

Tacrayon's modeling career began in 2013 when she joined the Miss Philippines Earth pageant. She placed in the top 5 and was awarded the Miss Earth-Air title. The following year, she competed in the Miss Earth pageant and was crowned Miss Earth 2015. She is the first Filipina to win the title.

As Miss Earth, Tacrayon has traveled the world to promote environmental awareness. She has spoken at numerous conferences and events, and has worked with various organizations to raise awareness about environmental issues. She is also a spokesperson for the Miss Earth Foundation, which supports projects that promote environmental protection.

Tacrayon is a role model for young people around the world. She is an advocate for education, environmental protection, and women's empowerment. She is a shining example of what can be achieved when you set your mind to something and work hard to achieve your goals.
