The night is so long

I count sheep until I'm sore

My bed is a prison

I toss and I turn

The clock ticks away the hours

Sleep, where are you now?

My mind is racing

Thoughts keep me awake all night

I just want to rest

The bed is too hot

The sheets are too cold

I can't get comfortable

The night is silent

Except for the sound of my

Snoring roommate

If you're still struggling to fall asleep, try reading these haikus aloud. The awkward rhymes and nonsensical imagery are sure to have you laughing yourself to sleep in no time.
